

September 1, 2010

Dear Colleague:

This is an exciting and busy time of the year for institutions of higher education. It's also an exciting time for The Kentucky Academic Advising Association (KACADA)! It was so wonderful to see so many of you at the NACADA Region III Conference that was held in Lexington in May. The conference was great, and it created so much excitement and enthusiasm!

KACADA plans to continue this momentum into the 2010-2011 academic year, and we want all of you to be a part of it, as KACADA members. KACADA is a great way to keep in touch with colleagues across the state, stay informed about changes in higher education, continue to develop professional skills, and share new and innovative approaches to advising. It provides advisors with opportunities to work together to help Kentucky students achieve their academic goals.

Please help us continue our success by renewing your membership or becoming a new member of KACADA for 2010-2011. Membership in KACADA is only \$20 and lasts September 1, 2010 until August 31, 2011. However, this year you have the opportunity to get your membership for **free!**

The annual KACADA Conference will be held April 5-6, 2011 at the Holiday Inn University Plaza in Bowling Green, Kentucky. **A registration discount of free membership dues (\$20) will be given to those who register for the conference before January 15th, as an early bird discount. Additionally, if your membership has already been paid for a discount of \$20 will be taken off of the registration fee.** The registration fee for the conference is \$150, and the room cost will be \$120 per night.

The membership and conference registration form is attached to this e-mail for your convenience. Please be watching for additional information and details about the conference, and as always, you may find information about everything related to KACADA at www.kacada.org.

We are truly looking forward to working with each and every one of you this year! KACADA members make this organization wonderful, and they allow us to turn ideas and dreams into reality. Please join us as we continue to strengthen our support of academic advisors in the Commonwealth.

Sincerely,

Megan Larabell, President
Kentucky Academic Advising Association

Nicole McGrew, Membership Chair
Kentucky Academic Advising Association
